PRESIDENTS' PREAMBLE - Bob Humphreys.

What an inspirational Championship Round with 126 machines entered including 11 sidecars and 12 P2/P3 solos, the base bikes that started Historic racing coming into being 30 years ago. The youngest P2 machine is now 70 years old, and the Rudge of Andrew Bartleet is celebrating 81 years of service. I wonder if in the future, enthusiasts will be thrilling to the sound of 81 year old RGV Suzuki's probably, as modern bikes will be electric by then!

Scrutineering went well with our volunteers getting the job done in 1 hour, just before the riders briefing started. Thanks to all who helped including riders, mechanics and especially Rory Reibel and Rob Clark who made a special journey to help out.

The club welcomes the new riders that rode on the day, and hope that they enjoyed the racing. A few offs resulted in Dan Barson suffering a fractured leg, Chris "Soundman" Kirkby a broken and dislocated thumb, he'll be riding long before playing the Guitar again!. Mike Smith and Joanne Thompson crashed the combo on Skyline resulting in Joanne spending some time in hospital and Mike black and blue. both promising to be on track soon.

With the amount of events being capped at 21, we managed to finish at 5 pm, our trusty officials, marshals and 1st aid people could stand down after a long day. Close racing was the order of the day in most events, P5 350's had the first 3 on the same points, with Chris Sullivan 1st overall being the winner of the 3rd leg, Phil Schubert 2nd, and Adrian Collard 3rd.

Family racing seems to be on the increase with the Haines 4 riders, and the Mercers 3 riders, and several other families having 2 riders. Nice spirit to have in our Club! David Mercer is fast becoming indispensable to the sidecar fraternity, always stepping in as a passenger when needed.

Our under 16 riders put on a great display with .01 of a second separating riders in one race. Nick Miller on his P4 350 Drixton Honda held out the fast finishing 125 GP's in 2 races, all be it the 125's had a 15 second handicap, making this mix of bike races very entertaining.

A good roll up of Thunderbikes. it was like old times with Aari Sullivan and Jodie Brown on KTM's having their first hit out with us. Jodie also scrutineered.

With feedback from riders, and with more time to come up with a Wanneroo race schedule, we will have 3 races for each group, probably a set race format for all Wanneroo meetings, with riders with 2 bikes still being catered for, Collie is not a problem as the races, and getting on and off the track takes less time.

Shaun Oliver Snr of Bindoon Tractors has kindly donated several items to be used as prizes at the after meeting awards and club meeting raffles, speaking of which I completely forgot the Silkolene/Steves Motorcycles prize at Wanneroo, so the draw for the 1st round will be at Collie along with the 2nd round draw.

Hopefully the large entries will continue and we will see lots more exciting racing with big fields.

See you all at Collie.

Ps. Power is now on at Caversham club house, after a blown transformer cancelled the last meeting.

NOTE: THERE IS TO BE A SET RACING FORMAT FOR COLLIE AND WANNEROO.

This is to make it easier to format a race programme, and to be fairer to all riders. If you have 2 bikes that could be in the same race, you will have to choose which bike to ride! The programme is as follows. new sup regs will be presented to MWA for verification.

Race 1 P5 unlimited...pre modern...P4 750...P5 350..P4 unlimited...P5 750

Race 2 P2...P3

Race 3 Moderns...Thunderbikes..P6 750...P6 Unlimited.

Race 4 Sidecars.

Race 5 P6 250....P6 500...P6 125.

Race 6 P4 350...P4 500..P5 250..P5 500...P4 250...GP125

Race 7 Juniors

The committee has decided that:

There will be a 5 minute warning for pit exit to open....

- there will be a reminder at 2 minutes.....
- and another reminder at 30 seconds to pit exit opening....
- Pit exit will remain open for a further 30 seconds, then it will close....
- If you miss this you will have to start from pit exit under a separate flag.

This is common practise at every track, and it helps to keep the meeting flowing.

There will be no dummy grid. You will have to know your position when you line up on the start line.

All riders are warned to to check their grid position for each race.

MCRC SUPERBIKE DISPLAY OPPORTUNITY

The HCMCWA have been invited by MCRCWA to have a display of their bikes at Round 5 of the YMF Superbike Championships on June 5th at Barbagallo which MCRC are hosting.

We are hoping to have a marquee near Turn 1, where we will be pitted with other product displays. Should be a great day.

Names of interested parties need to be forwarded to Bob Humphreys 92956184 or emailed to mdavey@westnet.com.au so that a list of displayers can be left at the gate for free entry.

COLLIE POWER SUPPLY NOW SORTED

We have been advised that the electricity issues have been sorted out at Collie, so no more moonlight meetings!

STOLEN VINCENTS - KEEP AN EYE OUT PLEASE

The following TWO Vincent Motorcycles were stolen from a property in Whitebridge, NSW, Australia sometime between February 2 and March 20, 2016.

The theft has been reported to the New South Wales Police who have assigned their event number E60733503

Given the value of these bikes they may now be anywhere – so if you become aware of a ‘new’ Vincent appearing in your area or a sudden rash of (God forbid) Vincent spares being offered for sale it would be greatly appreciated if you could discreetly check if they could possibly be one of the following bikes.

1. Vincent Black Shadow 1950 C Series.
F10AB/1B/5409
UFM RC7309B
RFM RC1/10171/C
2. Vincent Black Shadow 1955 D Series
F10AB/2B/10851
RD127518

If you even suspect that you have come across either of these bikes – or parts from them – please IMMEDIATELY contact your local police providing them with the details of what you know and the information about the bikes contained in this message. You may also make contact with the distressed owner, Mr David James, phone 0408 508 608 or by email to davidjamesag@gmail.com
