PRESIDENT'S PREAMBLE - Bob Humphreys

We've come to the last newsletter of the year, and sadly it will be Mick Tesser's last also, as he believes that the Newsletter needs new blood. Mick has done the club proud over many years, and we thank him for tirelessly printing and sending out the club news, free of charge. Mick's firm is Admiral Printing, so if any members require printing services, please support Mick.

The presentation night at the East Fremantle Yacht Club was attended by 160 of our members and their family and friends with our club Champions collecting their trophies.

From Mick Tesser.

After over 20 years of having the great pleasure of doing the club newsletter with the help and input at times from members, as Bob said in his bit, I am stepping aside from the role. I believe it is time for someone else to take over editing the club newsletter and inject new blood into it. The club needs a broad spread of members to have the skills/knowledge of what is involved in running a club like ours - that way the knowledge base is spread around and more easily passed on.

It is not a difficult task, and is always very rewarding helping the club and its members - anyone with a computer and the ability to save the newsletter as a PDF file can do it. The Hon Prez sends his articles in, as do other officials where they need to, photos are kindly made available for our use by Graeme at Sportpixx.com, and members also email in photos of events, along with adverts, Raymond Shaw sends the points standings in, so those sorts of things are already in place.

Hopefully at the AGM one of you will elect to take over from me and of course I will give you all the help I can until you find your feet and will continue to do the few printed versions and send them out, along with the bulk email out of the PDF email version.

Thanks for putting up with my errors/late/missed/forgot to post newsletter hiccups that happened occasionally - and in eager anticipation of a flood offers to take up the position at the AGM:)
